OFFICE POLICY

Our goal at True Dental is to help you achieve optimal dental health, comfort, function and esthetics. We believe that a cooperative effort between you and our office will result in a dental service that we are proud to render and you are pleased to receive. We want to be able to meet your needs in a way that adds significant value to your life.

Payment is due at the time treatment is rendered. We offer the following payment options:

1. Cash or check.
2. We accept VISA, MasterCard, Discover & American Express.
3. Other financing options may be available upon credit approval. If you have questions regarding this form of payment please let us know.

Our office is happy to cooperate with patients who are covered by dental insurance by completing all forms pertaining to your claims, at no charge to you, and assisting you in receiving the maximum benefit to which you are entitled. Your policy is a contract between you and your insurance company, which dictates your coverage. We are not a party to that contract. We work for you, not your insurance company. Dental insurance benefits are an aid provided by your employer, not meant to cover 100% of all treatment required. Treatment that we recommend for you is not dictated by your insurance coverage.

For patients with insurance, we make every effort to inform you of your portion of the copayment at the time treatment is rendered. For all diagnostic testing and services rendered, we will attempt to bill your insurance, but you may be responsible for any unpaid amount or denial by your insurance company. The amount we ask you to pay at the time of service is based on an estimate of what the insurance coverage will be. Please keep in mind that this is only an estimate. You will receive an Explanation of Benefit from your insurance company when we receive payment or nonpayment for services rendered. At that point if payment has not been received in full you can expect to receive a statement from True Dental. If two statements are sent without payment received, the account may be sent to a Collection Agency. The patient is responsible for the balance and the collection costs.

Appointment Cancellations: Patients are asked to notify the office 48-hours in advance if they are unable to attend their scheduled appointment. A $75 cancellation or no show fee will be applied per hour for any failed appointments or cancellations less than 24 hours in advance. This fee is not billable to insurance and is required to be paid prior to future appointments being scheduled.

I have read and understand the office policies of True Dental.
